

Dear Suppliers,

As part of our ongoing efforts to improve efficiency and service quality, we have recently completed our LTL (Less Than Truckload) Request for Proposal process. Based on the results, we have decided to implement a new LTL Routing Guide with updated carrier routings.

Effective Date: March 3, 2025

Action Required:

- **Review the updated Routing Guide found on the Supplier Portal under Form Type: Transportation.**
- **Ensure all shipments align with the new carrier assignments and rates.**
 - This change is crucial for maintaining high service standards and cost-effectiveness.
- **Follow the routing instructions included in the Routing Guide.**

If you have any questions or need further assistance, please do not hesitate to contact our logistics team at dan.ryan@hdsupply.com. We appreciate your cooperation and support during this transition.

Thank you for your attention to this matter.

Sincerely,
Dan Ryan
